10th March 2024

Hello sorry can not make tonight's meeting but here is a short report.

The Red Triangle bowls club is the Oldest in the village, over 120 years old, it has only played friendly matches with local clubs and additional regular internal club games and roll ups.

Our club is not open at the moment because of work that needs to be carried out to improve the green, ditches and fences I have started some of this work but need help to continue to bring the club back to a good standard. I have also had Covid which has taken me quite a while to get over and back to normal.

I would like to re-open the club with a greater emphasis on encouraging families with children to enjoy the game of lawn bowls as well as reinstating a friendly match program but need help with the work required to be done if the village is not to lose this valuable and long established asset.

So if there is anybody that would be willing to help rescue and support our Friendly Bowls Club and get it up and running again we would love to hear from you so please could you contact me via telephone, text or e-mail.

Regards
David Payne
