Al.

Here is our report for the Wickham Market Rainbows & Brownies Units.

Rainbows From age of 4yrs to 7yrs enjoy Crafts, games, Baking, singing and walking around the village. They have lots of fun activities indoor and outdoor when weather permits, they also can earn Interest, Skills and Theme Award badges & certificates. There are 6 themes altogether for the girls to work on. Our numbers have now picked up and we have 11 girls with two/three to start after half term.

Brownies Start at the age of 7yrs to 10yrs. They have been learning new crafts which they may be interested in doing as jobs later in life, also games, singing and lots of fun activities indoor as well as outdoor. They have also worked on Challenges to earn extra badges.

Brownies numbers are still low with only 7, so if there are any girls that would like to come along and see what we do they would be very welcome.

Both Rainbows and Brownies can also earn Bronze, Silver and Gold Award badges and certificates.

We are also very grateful for a donation from the Barker Education Trust fund which helps with either anyone needing a little help with fees or uniform and toward a trip which we are hoping to have end of the summer term this year.

We are looking for new leader/s so if anyone is interested please do give us a call, It would be sad to have to close both units but that is what will happen if new Leader/s can not be found.

Thank you for giving us the opportunity to give this report, sorry we could not be there in person tonight.
