

Wild About Wickham.

I think you would all agree that this launch event was a great success. Brilliant turnout and a real community atmosphere. I was delighted and thank you to all those who made it such an enjoyable day ! The concept was one I was keen to promote as chair of the Wickham, Fram, Kelsale Yoxford and villages Community Partnership. It is ESC led with me at the helm, Anne as the deputy chair and the lovely Sam Kenward as the CP officer. And of course, a whole load of lovely volunteers. The money we made will be used for any forthcoming events, we are hoping to have the next one at the end of April and I am working with SWT on this. Watch this space!
