

Allotment Report – Nov 2024

We are pleased to report that the majority of plotholders have renewed their tenancy for the coming year. Some have not, and their plots have become vacant. The vacant plots will now be offered to people on the waiting list.

Both sites are in reasonably good shape although there are a few problem plots on the Glebe which need quite a bit of work on them to get them into a state where they can be rented out. We intend to organise monthly working parties over the winter to do this.

The AA have just held their AGM and officers, and committee members have been re-elected for another year. And we warmly welcome two new committee members who have joined the team.

And finally, at this time of year, we remember all those who gave their lives for our freedom in the great wars. And as with previous years, on Remembrance Sunday, the Allotment Association placed a wreath on the memorial on behalf of all our Allotment Association members.
