

Harvest market

Once more I would like to thank Leanne and her team for a well organised and enjoyable Harvest market. Visitor's and stallholder's were very complementary.

Flying Flags

Guidance on flying flags from **GOV.UK** regarding rules and regulations - no specific advice has been recently issued on the matter of flags and therefore the 2021 guidance Flying flags: a plain English guide, is still the most relevant. We as a Parish Council will still continue to fly the Union Flag, the flag of the United Kingdom.

Police report from PC Claire Cox

1 Non crime - hate crime

1 Assault

Tour of Britain cycle race

In August the parish council applied for a grant from Lloyds Tour of Britain men's grant scheme to purchase bike racks in the village for the medical centre, village hall etc. to encourage people to use their bikes for local trips knowing they can be secured.

This grant has been agreed giving a lasting legacy to Wickham Market from the Tour of Britain cycle race.

Regards

Cllr Ivor French

Chair of

Wickham Market Parish Council
