2. PROJECT TITLE AND DESCRIPTION	
Project Description <i>(What will the funding be used for? Please be specific)</i>	To partly pay for the cost of public liability and insurance and the mobile phone contract, without which Wickham Market Good Neighbours cannot function
Anticipated Start Date	2007
Estimated Finish Date	When forced to cease
If this project goes ahead how will it affect your organisation? Who will benefit?	These are essential, ongoing charges which the Good Neighbours have to pay in order to function. Apart from this grant, we only receive individual donations to carry out our work. These are not normally sufficient to cover these basic costs. Any person who needs a prescription collected, a lightbulb changed or a lift to a medical appointment can benefit from our service.

Please make any other comments you feel that may support your application	We currently pay £130 for our phone, which is about to increase and £109 for insurance, which also increases every year. We have to fundraise the remaining amount ourselves at Markets and through individual donations.
