

Village Hall Modernisation Project

Modernisation Committee Meeting

Tuesday 04th February 2025

Agenda Item VHM 24:9

Community Action Suffolk SZC Grant Application Review Update

Sizewell C Community Foundation Grant Review Panel recommended we contact CAS Community Action Suffolk for a free referral the panel also like to see how the plans compliment other community projects underway in/near the village (i.e. The George) in their response letter on 17th December 2024

We contracted the George Team and they have offered to meet and discuss how we may work together in promoting both venues

SZC Community Foundation requested permission to issue our grant application and supporting documentation to CAS Community Action Suffolk for review this was agreed and documents were issued

Councillor Horsnell emailed (CAS Alice Wade) late December 2024 and arranged a telephone review conference call for January 10th January 2025 to discuss our village hall modernisation project and SZC grant application

Councillor Horsnell contacted CAS Alice Wade on the 10th January 2025 as planed and discussed our SZC grant application and village hall modernisation project at length CAS offered to review our SZC grant application & Business Plan upon completion of document review CAS Team member would be appointed and contact us in Two to Three Weeks to provide support, guidance and recommendations on grant application process this will feed into enhance and strengthen our grant application case with SZC

Councillor Horsnell emailed CAS Alice Wade on Thursday 30th January 2025 and await their further response and update
