

Neighbourhood Plan Committee brief for PC meeting on 10 Jan 22

At the Parish Council meeting on the 15th November 2021 or authority was given for the Neighbourhood Plan committee to submit the Neighbourhood Plan to East Suffolk Council once final amendments had been made. On the 13th of December 2021 a 10 page email was received from Andrea MacMillan, Principal Planner, East Suffolk Council with many comments on items that would be better amended before submission. The comments related to the following documents; the Basic Condition Statement, Consultation Statement, Local Green Spaces Assessment, Strategic Environmental Assessment, Non Designated Heritage Assets Assessment, the Neighbourhood Plan and the Timeline. The comments were, in general, very helpful. Some comments refer to changes which necessitate a change in a supporting document or two. Some comments are easy to fix, and some comments are taking a consider amount of effort to comply with. The work is being done by Dick Jenkinson and Ray Lewis. Navigus Planning will be required to amend the Basic Condition Statement and the Strategic Environmental Assessment when the other amendments have been made. A Neighbourhood Plan Committee is scheduled for Wednesday 19th January 2022 to provide an update on progress.

Planning Committee brief for PC meeting on 10 Jan 22

A Planning Committee meeting was held on 5th January 2022 to consider the planning application DC/21/5538/FUL. This application is for a single storey rear extension to create an enlarged kitchen/breakfast room at 9 Mill Lane, Wickham Market. The Planning Committee had no objections to this application.

10 January 2022
