- 7 **Review planning application** DC/22/0583/FUL

Proposal: Extend bungalow pitched roof over attached garage. Extend garage to rear of bungalow and beyond by 1.8 metres. Insert one rooflight to front and rear pitched roof over existing garage and garage extended part. The pitch of the extension beyond the rear line of the bungalow follows the pitch existing roof to lessen the impact as the land falls away from the dwelling. A windowed bay and the garage at each end of the bungalow projects 1.3m out from the main building line. A canopy reaches from one projection to the other with a framed porch under the bayed end. It is proposed to demolish existing front porch and rebuild. Block up existing bathroom window and insert a rooflight in roof pitch over bathroom.
